

LFRW Members,

I am happy to announce that the time has come to send out THE CALL for the LFRW Fall Board Meeting and Membership Conference. Some of us have really looked forward to this day, including me. It's interesting that no matter how social you are after a few months of no friends; it gets old very quickly. We need this time to interact with one another. I understand that some of you may not be able to come because of health reasons. For you we are offering the Zoom Meeting. Please read my letter carefully. It will explain a few things you may have been wondering about.

Looking forward to seeing you all!

All the best,

PLEASE SEND THIS TO YOUR MEMBERS.

Wanda Aizpurua

LFRW President
